

JavaScript Jesters Team Rules

Team Members

- Noah Jaurigue
- Aadit Agarwal
- Alexis Chao
- Melody (yue yin)
- Simone Wright
- Justin Ubamadu
- Vuong Bui
- Lejing Lu
- Anvi Mittal

As a team, every member agrees upon the following rules and expectations:

Communication

- open communication and make sure people are clear about their availability
- check Slack messages asap
- react to important Slack messages
- if you need help on your part of the assignment, ask for help

Meetings

- communicate if you are able to attend meetings
- communicate if you are going to be late
- make sure notes are being taken on important tasks
- try to keep your camera on and participate

Conflict Resolution

1. communicate directly with the person you are having a problem with
2. communicate with team leads to resolve the issue
3. communicate with the TAs to resolve the issue

General Responsibilities

As the quarter continues, we will adapt and add the appropriate responsibilities expected of each team member.
